Clarification of News Report

THE PHILIPPINE STOCK EXCHANGE, INC.

Bonifacio Global City, Taguig City

Attention: Mr. Jose Valeriano B. Zuño III OIC – Head, Disclosure Department

Subject: News Clarification – Tribune.net article entitled “Sangley Point airport thumbed down”

Gentlemen:

We respond to the Exchange’s request for clarification about the Tribune.net article entitled “Sangley Point airport thumbed down” which was posted on 13 August 2018. The article reported, in part, that:

“An earlier pronouncement notwithstanding, the Department of Transportation (DoTr) thumbed down on Friday the P552.018 billion proposal of the Cavite provincial government to develop the Sangley Point airport into an international airport to replace the Ninoy Aquino International Airport (NAIA) as the country’s gateway. The DoTR’s Office of the Undersecretary for Legal Affairs and Procurement, the Office of the Assistant Secretary for Legal Affairs, and the Legal Service recommended against signing a memorandum of agreement (MoA) with the Cavite provincial government allowing the proposed international airport development project to push ahead. . . .”

It appears that the article makes reference to the rejection by the Department of Transportation of a proposal made by the Cavite Provincial Government itself. For this reason, Belle is not in a position to give any statement as to the accuracy of the report as it is not a party, directly or indirectly, to the proposal referred to.

Thank you for your kind attention.

Very truly yours,

JACKSON T. ONGSIP
